

## **Bravida acquires FIBERkom ApS installation operations in Odense, Denmark**

**Bravida Danmark acquires the network installation company FIBERkom ApS in Odense, Denmark. The company has 8 employees and had net sales of DKK 6 million in 2020.**

FIBERkom ApS has specialist knowledge in splicing and jetting fibre optic cables. Their main customer segments are energy companies with installations of fibre optic networks. Jørn Tønnes, Regional Manager, Region South at Bravida Denmark is very pleased with the acquisition:

“FIBERkom ApS has managed to position itself as a strong supplier on the island of Fyn in Denmark, an area experiencing strong growth. At the same time, the companies complement each other well. Bravida has the competence to offer service to end users, which benefits our service business. I’m convinced that our collaboration will be successful and I look forward to welcoming our new colleagues,” says Jørn Tønnes.

Ronny Hüttmann, owner of FIBERkom ApS comments:

“By now becoming part of Bravida, we ensure good opportunities for increased growth within the company. We acquire greater resources to keep up with the development of the market and can thus continue to provide our customers with the best experience,” says Ronny Hüttmann.

Ronny Hüttmann will continue as head of operations and all employees will continue in their current roles. Bravida will take over as owner on 1 February 2021.
