

## **Bravida Finland acquires the company Polar 2000 Oy and strengthens its position in the process industry**

**Bravida Finland acquires the company Polar 2000 Oy and thereby strengthens its position in the process industry in Eastern Finland. The company has a turnover of around EUR 4,8 million and approximately 44 employees.**

Polar 2000 Oy carries out electrical, automation and telecommunications contracts and maintenance work for the industry sector. The company has offices in Lappeenranta, Imatra and Kouvola.

“The acquisition is fully in line with Bravida’s strategy to grow in Finland. Through the acquisition, our service offering in the industry sector will expand in Eastern Finland. Polar 2000 Oy is a well-managed company with skilled employees and leaders. This creates a good basis and platform for us to further develop our business activities together,” comments Marko Holopainen, Head of Division Finland at Bravida.

Ami Hannola, CEO of Polar 2000 Oy, comments:

“This is an excellent opportunity for Polar 2000 Oy to offer its customers even higher quality and more comprehensive services and to operate in an increasing number of locations in the future. Bravida Finland Oy has the way of working together, and with the sale we will be able to take our operations to a new level.”

Bravida Bravida becomes the owner in the end of august 2022.
