– In 2017, Bravida delivered a strong organic growth and high profitability across its business. We also made several acquisitions, of which Norway-based Oras was the most important. Bravida begins 2018 with a growing market and high pace of activity in the organisation. Access to potential acquisitions at reasonable price levels remains good, says Mattias Johansson in his CEO-message in the Annual Report.

Shareholders and other interested parties who wish to receive a printed copy of the Annual Report 2017 may order it through the website, e-mail, or telephone.
