

Bravida broadens its customer offering and acquires Svagströmsinstallationer i Norrköping AB

Bravida acquires Svagströmsinstallationer i Norrköping AB, complementing the total offering to Bravida's customers. The company has 23 employees and a turnover of around SEK 45 million.

Svagströmsinstallationer i Norrköping AB offers installation and service in fiber, data networks and security in the counties Östergötland and Södermanland. Customers include city network operators, real estate companies, businesses and private customers.

Sven Westdahl, regional manager for Bravida in Närke/Östergötland/Gotland, is pleased with the acquisition:

- The acquisition of Svagströmsinstallationer i Norrköping AB suits our business and complements our existing offering in a good way. I'm pleased that we are now able to deliver a complete offering to our customers, says Sven Westdahl.

Svagströmsinstallationer i Norrköping AB started its operations in 2009 under the name Svagströmsbolaget i Norrköping AB. Since 2013, the company is owned by Marcus Ringström and Johan Larsson, both active in the telecom industry since 1997.

Marcus Ringström, one of the owners, says:

- We see this as an opportunity to be able to develop our business and strengthen our local presence, with the opportunity to take more market shares. Now that we are part of Bravida, we will have more exciting challenges, which feels great!

Bravida took over as owner on October 12, 2020.
