

Bravida signs new revolving credit facility of SEK 2.5 billion

Bravida refinances its current revolving credit facility of SEK 2.5 billion with maturity in October 2024 with a new revolving credit facility of SEK 2.5 billion.

The new agreement runs to 12 February 2027, with the option of extending the term by one plus one year after the creditors' approval. The loan agreement constitutes a major part of Bravida's long-term funding and is supplemented by a commercial paper program and other types of short-term financing.

Danske Bank, DnB and SEB participate in the transaction, which is coordinated by Danske Bank.
