

Bravida Finland strengthens its position in Helsinki

Via a transfer of assets and liabilities deal, Bravida Finland has acquired the operations of Nykysähkö Oy and Nykyrakennus Oy, thereby strengthening its installation and service offering. The business to be acquired has a turnover of EUR 3.6 million and 11 employees.

The business to be acquired is active in electrical installations and repair work along with maintenance services in the Helsinki Region. The customer offering is complemented by various construction services, such as, for example, renovation and changes in conditions of properties.

“We are pleased to welcome new employees to Bravida via this acquisition. Our regional range of services relating to maintenance, service and renovation in Helsinki and its surroundings is now further strengthened, which is fully in line with Bravida’s strategy to grow in Finland,” comments Marko Holopainen, Head of Division Finland at Bravida.

Juho Peltomäki, CEO of Nykysähkö Oy and Nykyrakennus Oy, comments:

“We see a bright future and are very happy to now be joining Bravida. We are confident that we can now continue our positive development and get even more support for growth, while also further developing what we offer our customers. We have always been a flexible and customer-orientated company and we will continue to work in the same way going forwards.”

Bravida will take over as the new owner on 1 May 2024.
