

Bravida Finland strengthens its service offering in southwestern Finland

Bravida Finland acquires the business operations of the company Turun LaatuSähkö Oy, thereby expanding in southwestern Finland. The company has a turnover of EUR 1.8 million and 12 employees.

Turun LaatuSähkö Oy offers a wide range of electrical services. The company also works with the installation of information networks and security systems, industrial electrical installations and repair services. It is based in Turku and is primarily active in the Turku region.

“Bravida has a clear growth strategy in Finland and this acquisition is a further step in Bravida’s geographical expansion in Finland. It is great that we will now be able to offer electrical installations and related services to our customers in southwestern Finland. I am very pleased to welcome the staff of Turun LaatuSähkö Oy to Bravida,” comments Marko Holopainen, CEO of Bravida Finland.

Tero Eklund, CEO of Turun LaatuSähkö Oy, comments:

“Our business has grown continuously since being founded. The acquisition gives us new dimensions in terms of stable growth and profitability. We get more opportunities to be competitive and can also further develop our business activities.”

Bravida will take over as the new owner of the business on 1 May 2023.
