

Change in the number of votes in Bravida Holding AB

Bravida Holding AB (BRAV) today announces a change in the number of votes in the company. This is due to the conversion of some class C shares to ordinary shares, which will be assigned to participants in incentive programmes.

At Bravida's 2021 Annual General Meeting, a resolution was passed to implement a long-term incentive programme for senior executives and other key personnel in the Bravida Group ("LTIP 2021"). Following publication of the interim report for the period 1 January to 31 March 2024, allocation of shares has been made to a total of 152 senior executives and other key employees, in accordance with the terms of LTIP 2021.

As part of the allocation, Bravida's Board of Directors has decided to convert 350,000 class C shares into ordinary shares, which will be assigned to participants in LTIP 2021. The number of votes in the company has thus increased, while the number of shares has remained unchanged. The number of outstanding shares in Bravida Holding AB (publ) as of 31 May 2024 amounts to 205,536,598 shares, of which 204,472,271 are ordinary shares with one vote each, and 1,064,327 are class C shares with 1/10 vote each. The total number of votes in the company is now therefore 204,578,704.
