

Bravida Norway signs framework contract for around 200 municipal buildings

Bravida Norway has signed a framework contract with the municipalities of Fredrikstad and Hvaler in south-eastern Norway relating to fire safety, security, and heating and plumbing facilities. The contract has a duration of four years and covers the inspection, servicing and maintenance of municipal buildings. The total order value is around NOK 20 million.

The contract with the municipalities of Fredrikstad and Hvaler is for around 200 municipal buildings, including schools, town halls and housing. Bravida's responsibilities include the inspection, servicing, maintenance and repairing of fire alarms, emergency lighting, sprinkler systems, smoke ventilation and manual extinguishing equipment.

Martin Andersen, Regional Manager for Region Nedre Viken at Bravida Norway, comments:

“We are very pleased to have signed this contract, which will help ensure safe and well-functioning buildings for local people in the municipalities. The contract also allows us to further develop, invest and create value in the local areas in which our branches are situated. We look forward to continuing the ongoing cooperation with Fredrikstad and Hvaler municipalities.”

The contract came into force on 1 October 2025.
